

NUDO®

YOUR VISION IS OUR MISSION™

Allure™ Decorative Wall System

SUPERIOR WALL PROTECTION FOR HOSPITALS,
SENIOR LIVING AND CLINICS

Healthcare Environment Demands

The complexity of healthcare design can be overwhelming. Interiors must be beautiful, yet serene. At the same time, space requirements mandate cleanliness, safety and security.

In wall design, the most commonly used surfaces fail to withstand the constant abuse from carts, beds and mobile medical equipment. Unsightly damage due to impact, scratches and stains often occurs to painted drywall and rigid plastic panels.

For hospitals, clinics, medical office buildings and senior living centers, the problems associated with wall destruction go well beyond aesthetics. Healthcare Associated Infections (HAIs) and drywall repair and replacement cost facilities substantial dollars.

Holes in drywall

Costs

Allure™ Decorative Panels

Allure is a decorative wall panel with a recycled composite core sandwiched between two aluminum sheets and topped with a layer of High Pressure Laminate or prefinished Veneer face.

The well balanced panel is moisture-proof and offers outstanding impact, scratch and stain resistant properties that outperform painted drywall and rigid plastic panels.

Features

- **Panel Sizes**
4' x 8', 4' x 10'
- **Panel Thickness**
.150" or 3.8mm
- **Colors**
Thousands of laminate finishes from major manufacturers
- **Fire-Rating**
Class "A", Class "B" and Class "C"
- **Quantity**
No minimums required, unless determined by laminate manufacturer
- **Environmental**
80% recyclable

Ideal for any healthcare space including:

- Corridors
- Patient Rooms
- Treatment Rooms
- Imaging
- Laboratories
- Restrooms
- Waiting Rooms

Superior Durability

Scratch Resistant Test ASTM D2197

Marring of the competitive plastic panel material was observed to be permanent at all weight settings, representing abrasion resistance failure.

Rigid Plastic Wall Panel

Allure Wall Panel

Impact Test ASTM D5420-04 product on 1/2" Drywall

Rigid plastic wall panels - damage to surface

Allure wall panel - no damage to surface

Laminate Finishes

Allure offers limitless choices of wood grains, abstract prints and solid colors. Simply select any laminate finish from major manufacturers such as Wilsonart, Formica, Arborite and Lamin-art.

Below is an example of using Allure for wayfinding. The green color indicates a specific area of the facility.

Complete Wall Protection System

Designer Trims, Hand Rails and Corner Guards combine to create a convenient and complete Allure wall protection system.

Aluminum Trim

Available in 10' length.

Available Color

Anodized Silver

AP-28
Cap for .150" Panel

AP-30
Division Bar for .150" Panel

AP-32
Inside Corner and Cove for
.150" Panel

AP-34
Outside Corner for
.150" Panel

AP-50
Bullnose Cap for .150" Panel

AP-100
Slim-Cap for .150" Panel

AP-101
Slim-Division Bar for .150"
Panel

AP-103
Reveal for .150" Panel

Vinyl Trim

Available in 8', 10' and 12' lengths.

Available in white, black, pearl gray, dark grey, silver, blue, almond, bordeaux, khaki, brown, beige, red, pineapple, ivory.

AV-127-WO
Outside Corner for .150" Panel

AV-125-WO
Inside Corner for .150" Panel

AV-137-WO
Division Bar for .150" Panel

AV-1W0-10
Cap for .150" Panel

Hand Rails

Nudo hand rails utilize three layers of impact absorption to provide superior long-term wall protection. The aluminum retainer and vinyl impact absorber are concealed by a replaceable vinyl cover and assembled with adjustable mounting attachments. This product uniquely combines the benefits of durability, visual appeal and incredible ease of installation.

- **Length**
12'
- **Height**
5.5" nX7 Flat Hand Rail
6.25" nX8 Accent Strip Hand Rail
- **Colors**
Available in Black, Brown, Grey, Taupe, Khaki Brown, Sand, Sawdust, Pale Yellow, Ivory and White. Extended colors available upon request (minimum quantities apply)
- **Material**
Aluminum mounting with textured vinyl cover (50% recycled content)
- **12' Vinyl Impact Absorber and Cover**
The vinyl impact absorbers and covers are produced using a high quality UL fire-rated material, and contain 50% recycled content. Vinyl is a popular choice for interiors and construction projects due to the material's chemical and mold resistance and its ease of cleaning.
- **4 Hand Rail Standoffs with Locking Key**
- **4 Wall Anchors**

nX7 Series
Flat Hand Rail

nX8 Series
Accent Strip Hand Rail

Corner Guards

- **Length**
4' or 8' (custom lengths available)
- **Width**
2" or 3"
- **Fastening**
Screw-on fasteners hidden by replaceable, snap-on cover
- **Colors**
Available in Black, Brown, Grey, Taupe, Khaki Brown, Sand, Sawdust, Pale Yellow, Ivory and White. Extended colors available upon request (minimum quantities apply)
- **Material**
Aluminum mounting with textured vinyl cover (50% recycled content)

nX4 Series
Corner Guard

nX4 Series
Corner Guard End Cap

nX6 Series
Wall Surface Mount Retainer Wall Guard

Wall Guards

- **Length**
12' (custom lengths available)
- **Height**
4" or 8"
- **Fastening**
Screw-on fasteners hidden by replaceable, snap-on cover
- **Colors**
Available in Black, Brown, Grey, Taupe, Khaki Brown, Sand, Sawdust, Pale Yellow, Ivory and White. Extended colors available upon request (minimum quantities apply)
- **Material**
Aluminum mounting with textured vinyl cover (50% recycled content)

Core Colors

All hand rails, corner guards and wall guards are available in these standard colors. Additional colors are available upon request. Minimum quantities apply.

Black

Brown

Grey

Taupe

Sand

Khaki Brown

Sawdust

Pale Yellow

Ivory

White

Allure Decorative Wall System

Easy to Clean

Like any laminate surface, Allure is stain resistant and can be successfully sanitized using virtually any common detergent or healthcare specified cleaning agent.

(Passes test against 12 harsh cleaners, 12 laboratory stains and 2 surgical markers.)

Easy To Install

Allure Panels install easily over many surfaces including drywall and even existing rigid plastic panels using odorless, water-based and low-VOC adhesives. For detailed installation instructions, download the complete installation guide at www.nudo.com.

Before: Rigid plastic panels

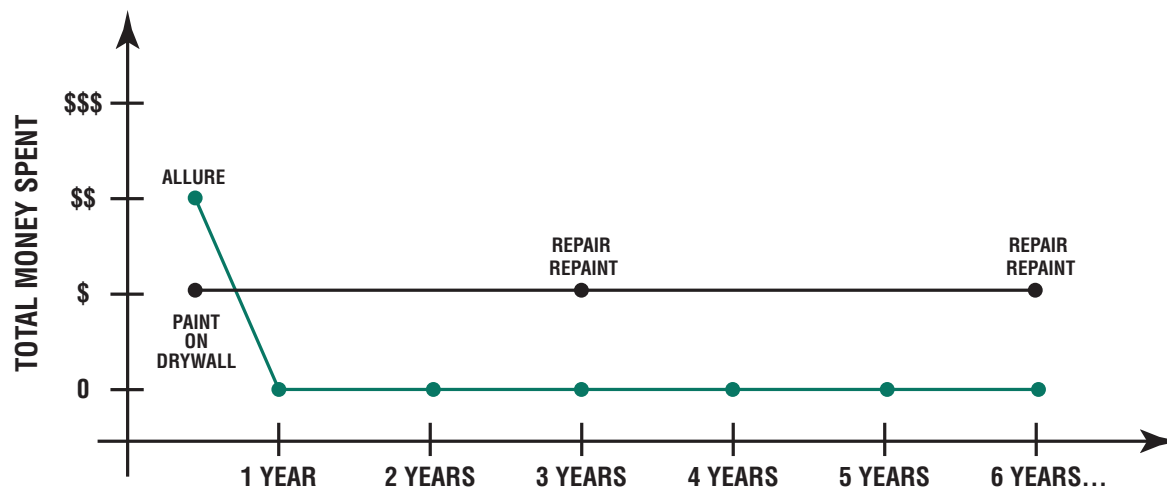

After: Allure panels installed directly over rigid plastic panels.

Affordable

Allure is the easiest, most affordable way of applying laminate to walls. With virtually zero replacement/repair costs, Allure's life cycle expenditures are a fraction of the cost of painted drywall and flat rigid plastic panels. Simply put, Allure is built to perform for years and years.

LIFE CYCLE CHART

Nudo offers other dynamic products for healthcare interiors.
Please visit www.nudo.com for more details.

Elements™

These green friendly panels are decorative and reliable. Due to its resistance to moisture, Elements will not absorb water, thereby reducing maintenance and increasing the life of the panel.

Impressions™

These panels offer flexibility in design by allowing you to use your own image or artwork to create a large format mural or graphic design.

FiberLite® FRP

Specially engineered panels that provide durability, easy maintenance and sanitation with exceptional physical and mechanical properties. Ideal for interior, high moisture environments.
