FiberScore™ FRP Panels

FiberScore™ FRP Panels with Sani-Coat provide a superior visual appearance over ceramic tile at minimal cost and without the installation and maintenance difficulties.

FEATURES & BENEFITS

- Resists staining, scratching, mold and mildew and won't crack or deteriorate like ceramic tile grout lines.
- Provides outstanding impact resistance due to fiberglass core.
- Costs less installed than most ceramic tile.
- Wipes clean easily with standard cleaning solutions.
- Meets USDA/FSIS requirements.
- Available in Class III/C Fire-rating.
- Complementary PVC trim and corner guards available.

PANEL SIZES

4' x 8' x 3/32"

4' x 10' x 3/32"

AVAILABLE FINISH

50-G44 White

COATED GROOVE ADVANTAGE

The Innovative Sani-Coat topcoat seals the groove of each FiberScore FRP panel offering several advantages over ceramic tile grout lines.

- Protects against mold and mildew growth.
- Is easy to clean, requiring no brushing or scrubbing.
- Won't deteriorate due to moisture or dirt.
- Possesses the same outstanding stain resistance as the panel face.
- Won't crack.

Meets ASTM D3273-94, D3274-95
